

HORRY COUNTY SCHOOLS' ANNUAL LITERACY REPORT 2022-2023

Horry County Schools serves 45,000 students. Their vision is to be a premier, world-class school system in which every student acquires an excellent education. Quindew is proud to support and advance this mission and vision.

"We are pleased with our students progress! Our students grew on average 10 points on the SC Ready reading scores."

meeting or exceeding reading level competency

Horry County Schools' middle school students outperformed the state average in SC Ready reading scores.

HORRY COUNTY SCHOOLS' VISION FOR QUINDEW AND GROWTH

Horry County Schools partnered with Quindew for the 2022-2023 school year. All middle school English language arts (ELA) classes used Quindew to support the teaching of deep reading comprehension skills. Their goal was to build students' confidence as readers and improve performance on the SC Ready Reading Assessment. Teachers used Quindew in small group rotations, assigned 2-3 Quests each week, targeted learning gaps with Quindew's Clarity Data and Curriculum Pack, and celebrated students' achievements. Last year, nine schools completed at least 4 Seasons of Quindew Reading Quests which contributed to reading growth across the district.

HCS MIDDLE SCHOOLERS ARE ACHIEVING

	2021-2022	2022-2023	Growth
Quests	392,562	553,457	+ 161,895
