“The middle school students who are using Quindew really enjoy it! They are engaged in the reading tasks and are learning a lot from the lessons. It's nice to the students engaged in the program growing each Season.”

KAREN GOLDBERG

Director of ELA

I.S. 98 – BAY ACADEMY'S VISION FOR QUINDEW AND CLARITY DATA

I.S. 98 – Bay Academy partnered with Quindew for the 2021-2022 school year. All middle school English language arts (ELA) classes used Quindew to support the teaching of deep reading comprehension skills. Their goal was to build students' confidence as readers, and improve performance on state and local assessments. Teachers assigned 2-3 Quests each week, targeted learning gaps with Quindew's Clarity Data and Curriculum Pack, and celebrated students' achievements.

I.S. 98 MIDDLE SCHOOLERS ARE ACHIEVING

ACHIEVEMENT EACH SEASON

I.S. 98 - Bay Academy's middle school students who learned on Quindew for the recommended 2-3 times a week made significant growth during the 2021-2022 school year. Engaged students who completed at least three Seasons showed the greatest reading growth.

Middle school students who read on Quindew consistently also reported to have more confidence as readers. They increased their time on task, improved their reading fluency, and strengthened their deep reading comprehension skills.

STUDENTS GREW AT EACH GRADE LEVEL

Middle school students at I.S. 98 - Bay Academy in grades 6-8 continued to grow each Season. As they progressed through the Seasons, students grew approximately half a grade level. Students who finished Season 3 (or 36 Quests) grew substantially more than students who completed 2 or fewer Seasons.

The graph on the left details how grade level groups grew on average over 3 Seasons.

I.S. 98 MIDDLE SCHOOL STUDENTS ARE ENGAGED

Engagement is a key metric for Quindew and I.S. 98 - Bay Academy. We monitored I.S. 98 - Bay Academy's middle school students throughout the year to ensure they were actively engaged in the reading practice and assessments. Quindew engagement algorithm measures students' engagement during each question. At the end of a Quest (or reading lesson), Quindew calculates engagement. In the 2021-2022 school year, 98% of I.S. 98 - Bay Academy's middle school students were engaged to highly engaged while reading on Quindew. From this, we know students were motivated to learn and growing as readers.
